Business Hours

Monday through Friday 8:00-6:00

Saturday 9:00-2:00 *

* (E6 processing and customer service only)

Mission statement

- To provide outstanding customer service
- To continue to meet the strictest standards of quality control in every aspect of our business
- To maintain a highly technically skilled professional organization
- To provide the ongoing training and education of our staff
- To constantly research and acquire the latest state-of-the-art equipment

Some services have minimum charges.

Additional prints prices only apply from the same original.

After Hours Lab

For special processing and printing needs, our lab is available outside of our regular business hours. A charge of \$45 per hour per technician secures services past and just prior to normal hours. To open the lab at any hour requires an open lab fee of \$75 in addition to the \$45 per hour per technician with a 2 hour minimum. Rush charges apply on services that are rendered in after hours lab.

Service Times

Service times are listed with each service. Due times are preset to 1pm or 5pm depending on time of order entered. Because workloads may vary, normal service times may fluctuate. Always specify deadlines.

All processing cut off time is 4:30pm.

During peak times if a guaranteed service time is required, a 25% guarantee fee will be added to your job. Service times are based on reasonable quantities. Please ask for a service time quote for large jobs.

Terms of Sale/ Methods of

Payment

Prepay, Deposit, Cash On Delivery (COD), On Account Submitting work to Colormark for photographic services constitutes a service contract. We produce the job you are looking for within the limits of the particular service which you requested and you agree to pay for this product and service within agreed terms. We accept cash, Arizona checks with proper identification, Visa, Master Card, and Discover Card. **When you place your order, we ask that you pre-pay if possible. On orders over \$50, we require a deposit of at least 50%.** Your job must be paid for in full before you can pick up any part of it including any materials supplied to us by you.

How to Open an Account

You may apply for an open account by submitting a credit application. It will take one or more weeks to process your application. Once your account has been opened, you will have an established credit limit.

Our Terms

Terms are COD or net 30 for customers with approved credit. Past due accounts are charged a late fee of 1.5% per month or \$0.50, whichever is more. A past due balance must be cleared up before new charges may be incurred. In certain circumstances, a review of the account may result in the suspension of the credit line.

Pick-Up and Delivery

We offer a pick-up and delivery service within the metropolitan Phoenix area. Service times vary due to other stops and traffic conditions. This is a non-rush service and must be scheduled ahead of time. If you have an order that is rush, we recommend that you bring it in and pick it up yourself. Charges for delivery are based on service zones and customer volume. We also have established routes that may be in your area that offer once a day pick-up and delivery, Monday through Friday. Service time does not include pick-up and delivery times, so please make allowances for the additional time when using this service. Contact our Customer Service to schedule these services.

Night Drop

For your convenience, there is a night drop to the right of the front door. Please make sure that you supply all information needed to complete your job, especially your name and phone number.

Shipping

All orders are shipped F.O.B. Phoenix Arizona. Finished orders are usually shipped via UPS ground or we can ship using any carrier you would like. On most orders, an \$8.50 or more handling and packaging charge will be added to cover shipping. Insurance cost is additional and must be requested. If we have to deliver to a carrier, you will be billed for that service. Orders which require special packaging or crating will be billed additional charges.

Limit of Liability

Submitting any film, print, slide, negative or non-photographic material to this firm for processing, printing or other handling constitutes an agreement by you that any damage or loss by our company, subsidiaries or agents, even though by our negligence or other fault, will only entitle you to replacement with a like amount of unexposed film and processing. The acceptance by us of the film, print, slide, negative, or non-photographic material is without other warranty or liability, and

recovery for any incidental or consequential damages is excluded. Dyes used in color materials, like other dyes, may change in time. These products, therefore, will not be warranted against change in color or density. Not responsible for originals left over 30 days

Reproduction of Copyrighted Works

When it's created, it's copyrighted! Federal law prohibits copying or reproducing copyrighted material without permission. We reserve the right to refuse to reproduce material unless it can be demonstrated that the order is being placed by the copyright holder. The customer, by providing us with material for reproduction, assumes all liability for copyright infringement, and agrees to hold Colormark Custom Photo & Imaging harmless for any damages including the expense of defense and/or penalties or any damages that are assessed against us.

You, the customer, are responsible to obtain a release from the photographer. We will hold production on your order until we receive the release.

When Making an Order **Be specific. Give us:**

- Your name and phone number
- Date and time you need the order
- The type of service you need
- Size and quantity
- Frame or sequence number
- Bordered or borderless (where applicable)
- Glossy or matte surface (where applicable)
- Dodging and burning instructions (where applicable)
- Finishing instructions: art work, mounting, laminating
- Any other pertinent information
- Do you need an approval print?
- Color, density and cropping: Please supply a sample and/or complete instructions
- All original materials in proper order and condition for us to do the job. We supply glassines, job envelopes, pre-paid mailers, etc. Please ask.

Remake Policy

When you receive your order, please check it immediately. We make every effort to follow your instructions and avoid mistakes which require remakes.

We assume responsibility to:

- Follow your instructions.
- Follow your color guides or instructions for color
- correction to the extent that is technically possible.
- Provide approval prints at your request.

We cannot be responsible:

- When incorrect instructions are given.
- When original material, negatives, or transparencies are received with scratches, imbedded dirt or any other such deficiencies.
- For previously unnoticed flaws or faults that appear due to greater magnification.
- For improper preparation of work furnished by Customer.
- For subjective judgments made due to the absence of written instructions.
- To match the color of a customer's original print when a guide print was not provided.
- For prints rejected after an approval print was okayed.
- When an order is within lab standards but the customer rejects it anyway.
- When a remake is requested 2 weeks after delivery.

If a remake is necessary, we will correct the error as quickly as possible. To do this, we require that you return all the original materials (all paperwork, including the original work order, our invoice, sleeves with our technical data and the product that is to be remade) along with detailed instructions as to what corrections are to be made. Orders returned after 2 weeks for a redo will be charged applicable prices.

Reorders

Reorders are handled as new orders. If we are to match a previous order in color,

density and crop, please return the negative sleeve, printing data, and a print or sample from the previous order. If a sample cannot be supplied, we cannot assume responsibility for matching the original. Due to variations in product and processes, we may not be able to give you an exact match on a reorder.

Print Regardless

Negatives, transparencies, and other original material which is not suitable for making quality prints due to their quality/condition (such as under/over exposure, color distortion due to improper processing, filtration or handling, scratches, other damage, or quality problems) will be accepted on a **PRINT REGARDLESS** basis. It should be understood that the quality will not be the same as that of a quality original. There will be **NO REMAKES or REFUNDS** with this service and **the order must be paid in advance.**

Reprograde Prints

Our highest quality print when exact size (+- 1/16 inch or less tolerance) is required and when there is critical color matching. Please supply layouts, proofs or samples indicating cropping, sizing, color and density and complete dodging and burning instructions. Reprograde prints will be billed an additional 50% and service time is extended one additional day.

Dodged and burned per your instructions

Glossy surface only

Color Metallic Paper is a revolutionary new color paper from Kodak that features a pearlescent, metallic sheen base that makes color pop with intensity. Images printed on this paper have an almost 3-D feel to them, adding dimension and interest to the subject. The paper features a high degree of durability and tear resistance.

Odd sized prints will be billed at next larger size.

Guide print strongly recommended.

Print Services

Large Format Fine Art and Giclee Prints

Service Time:	Normal	50% Addl	100% Addl
	3 Days	2 Days	24 Hrs

Photo Glossy or Lustre paper	\$9 per sq. Ft.

Film Processing

E-6 Transparency Film Processing

At Colormark, we are members of Kodak's worldwide program of process control for professional E-6 labs. Q-lab membership ensures that all the variables in E-6 processing are monitored to prevent problems from occurring. This produces consistent transparencies every time.

Film Size	24 Hour Service		3 Hour Service		1.5 Hour Service	
	Sleeved	Plastic Mounts	Sleeved	Plastic Mounts	Sleeved	Plastic Mounts
35mm 24exp	4.25	5.49	5.49	7.49	8.25	10.75
35mm 36exp	5.69	7.49	6.99	8.99	9.49	11.99
120	4.99		5.99		8.49	
220	6.99		8.99		12.99	
4x5	1.75		1.99		3.29	
5x7	2.79		3.25		6.49

Cross processing of film.....	9.99 add/roll
Glass mounts, +1 day.....	1.49 each
Slides put into pages, 20 per page.....	1.99/page
Mounting of preprocessed full roll film on plastic, 4 hr service.....	4.15/roll
Unmount and remount in plastic mounts, 8 hr service.....	0.99 each
Unmount and remount in glass mounts, 24 hr service.....	2.49 each
Slide imprinting per roll, same imprint- 2 rows of 21 characters/spaces each.....	1.49 /roll
Setup on file for one year.....	4.99/Roll
Blank roll.....	3.49 each
Blank sheet.....	0.75 each
Cut and page film	1.09 each

Snip tests will be done only from the beginning of a 35mm roll. On 120/220 film we normally snip from the end of the roll (last exposures taken). If you request it, we will snip from the front of the roll (first exposures taken). 35mm snips are approximately 11" long and 120 snips are approximately 6" long. The snip price is based on Colormark processing the rest of the roll of film. Otherwise, the price for a snip will be the same as to process the entire roll.

Film Processing

Color C-41 Film Processing

High quality professional C-41 processing. Kodak states that C-41 films have a two stop latitude and are not specifically designed to be pushed or pulled due to color shifts that cannot be corrected in prints. At your request we can push up to two stops at \$2.70 per roll and 2 hours additional service time. **Cross processing \$9.99 add'l per roll.**

Black & White Film Processing

Prices are for machine processing in T-Max RS developer. Unusual processing or other chemistry such as D-76 or D-19: **Service time +24 hours**; Cost is **\$9.99** per roll, plus the cost of any additional materials if needed.

		Unit 5	4-4x5	Unit 10	11x14

Package prints are groups of prints made simultaneously from one negative or transparency. They can be made from 35mm and 120 color and B&W film as well as Digital. They can be either glossy or matte surface.

We test each image for the best color and density. All prints from one image are printed the same. If you have a proof you would like us to match, please enclose it. Any cropping incurs a charge of \$10.00

Packages are returned uncut, in unit sheets.

Photo Greeting Cards

Service Time:	1st Test	Final Quantity	100% Addl
	3 Days	2 Days	24 Hrs

Greeting cards are 4x8" from your original color and B&W 35mm, 120/220 or APS negatives and slides and digital files. For larger originals and prints, additional charges apply. The photo opening is approximately 4x6". Images may be cropped to fit into greeting card templates. You can add a personal typed message or hand-written note or signature for an additional charge. White envelopes are included.
